

Vision Alert Automotive Limited aims to provide defect free products to its customers on time and at the correct price.

Vision Alert Automotive Limited operates a Quality Management System in accordance with the requirements of BS EN ISO 9001:2008.

The management of Vision Alert Automotive Limited has a continuing commitment to:

- Comply with the requirements and continually improve the effectiveness of the Quality Management System
- Ensure that customer needs and expectations are determined and fulfilled with the aim of achieving and enhancing customer satisfaction
- Communicate throughout the Organisation the importance of meeting customer needs and legal requirements
- Ensure the availability of resources

The structure of the Quality Management System is defined in the Quality Manual, and along with this Quality Policy, is regularly reviewed in order to ensure its continuing suitability.

All personnel will be made aware of this Quality Policy and their responsibilities in respect of the Quality Manual.

Vision Alert Automotive Limited constantly monitors its quality performance and implements improvements when appropriate.

Mike Clark
Managing Director
